STUDY  **bed**
...expanding your living space

It's a large desk

Keep all your equipment in place and switched on...

...pull down the handle and in just 3 seconds...

"Arguments getting my son to do his homework are a thing of the past, as his desk has acres of space for his laptop and books etc." RS (Taunton)

...It's a full sized bed

No need to remove anything from the desk or the bed.

www.studybed.co.uk

Hi! I'm Ben Berry, the owner of The StudyBed Company. I hope this brochure gives you a clear idea of the concept of StudyBed and just what a transformation it can make within your home. **A visit to our website with its video demonstrations and up to the minute information on new products and available finishes is also definitely recommended.** We look forward to your call to discuss your project and individual requirements, and a warm welcome always awaits you at our showroom in Oxfordshire.

We do not simply just supply a piece of furniture, we offer a great service.

A look at the virtues

- Large desk and comfortable bed all within small footprint
- 3 seconds to convert as nothing needs to be removed
- The bed is totally hidden away when in desk mode
- Free-standing and can easily be transferred when you move home
- Designed for everyday use, taking proper standard size mattresses
- Robust, sturdy and guaranteed for 5 years
- Choice of real wood veneers or bespoke painting
- Matching furniture and accessories available

"StudyBed takes space-saving to the next level with this ingenious product"

Alison Cork
(TV personality and interior design expert)

"One of the best ways of changing space in a small room"

George Clarke
(TV presenter and architect)

Focus on the finer points

We put considerable time and effort into ensuring use of the finest materials from sustainable sources. Manufactured in the UK, the StudyBed exudes quality and workmanship in every respect, from the superior top grade veneer down to the smallest practical detail, giving you a beautiful but highly functional item of furniture that will delight for many years.

Top quality real wood veneers

Plenty of space for boards, posters or video screens

"I particularly enjoy the way in which both the desk and the bed feel like premium products with no compromise in function"

NB (Swansea)

"Its construction and design is both lovely to look at and solidly built, it is in fact the best piece of furniture I own"

CS (Folkestone)

Desk locks for extra stability

Cable cut-outs

Soft-closing hinges

"For a small room like mine, this product was a great investment, I now have a comfortable bed and the best computer desk I have ever had, plus lots more room"

GW (Stroud)

Dimensions

Please measure your room carefully, allowing for such things as door openings, radiator position and skirting boards. Please also bear in mind that an additional 10cm approximately may be required width-wise for assembly purposes.

It is possible to reduce the overall width, (at extra cost) although this requires fitting a shorter mattress, which we can provide. Desk depths can also be reduced or enlarged (at extra cost) by 5cm, which will impact on the overall desk projection (C) by the same amount. If in any doubt, please contact us first to discuss.

(measurements are in cm)	Single	Small Double	Large Double	Small Majestic	Large Majestic
A Width	207	207	207	153	165
B Height	140	160	172	220	227
C Projection as desk	94	102	111	120	120
D Projection as bed	103	132	153	200	212
E Underbed height	This ranges from 43cm to 49cm according to model and finish, please verify when ordering				
Desk size	60 x 190	60 x 190	60 x 190	65 x 140	65 x 155
Mattress	90 x 190 (3 ft x 6 ft 3")	120 x 190 (4 ft x 6 ft 3")	138 x 190 (4 ft 6" x 6 ft 3")	138 x 190 (4 ft 6" x 6 ft 3")	150 x 200 (5 ft x 6 ft 6")

Finishes

Wood finishes

StudyBeds are available in a choice of top quality **real wood** veneers.

Additionally we can stain the oak in the colour or colour combination of your choice; This could be any shade of brown; it could be black or white, or a combination of the two; it could be Light Oak and white – the possibilities are endless. We can even match to a sample you provide!

The cost for this bespoke service is just £25 + Vat

Oak StudyBed stained to match existing decor

Maple

Light Oak

Painted finishes

Our standard finish is white, which is both classic and timeless.

We also offer a **bespoke painted service** whereby StudyBeds can be finished in the colour or colour combination of your choice. This can be from any household or industrial range, or we can even match any sample you provide. There is a useful tool on our website that allows you to change colours to help see what your painted StudyBed might look like. The choice of colours is endless.

The cost for this bespoke service is just £25 + Vat

"The quality and particularly, the grain figuring are first class and we couldn't have wanted for better"

BS (Cambs)

Matching furniture

Top Boxes **£325 + Vat**

These are a very popular accessory as they really do optimise all available space and tend to enhance the fitted look of a StudyBed. The Top Box stands 60cm high (50cm on Large Double) and the adjustable shelves and cupboarding allow for flexibility and discretion, and there is still further room for more items on top. Soft-closing doors are standard.

"No amount of advertising can do this product justice. It is fantastic, the space we now have is great and the storage top box holds so much that I hardly recognise my son's room any more... it's so tidy, worth every penny!"

CC (Glasgow)

Under desk mobile units **£250 + Vat**

These useful Mobile Under-desk units wheel away easily to become a bed-side table. They are extremely solid in construction and finished to exactly match your StudyBed. They are available in a range of styles to suit your needs.

Foolscap size filing drawer

Honey Oak

Maple

Light Oak

"It has made the room look so much neater and nicer"

PS (Slough)

Mattresses

All StudyBeds take standard size mattresses, so you have the option of simply transferring an existing one, or purchasing a new one from us or any other source. We stock excellent quality, optimum fit mattresses.

Sprung Memory Foam

3 ft	£80	£130
4 ft	£120	£170
4 ft 6"	£130	£180
5 ft	£160	£210

Prices excluding Vat.

Under-desk 4 drawer unit

Under-desk cupboard with adjustable shelving

"Your fitters were keen to ensure that the install was to our liking rather than just going ahead and doing what they thought was best. I was very impressed"

SP (Sheffield)

"As for the StudyBed company, the service I received was first class. Ordering was smooth and you answered all my questions Ben. I was kept fully informed regarding delivery, and the guys setting it up, Steve and John, were brilliant" PJ (Wales)

Made to measure

Wardrobes and book shelving

In order to maximise the space in your room, we are able to produce matching wardrobes and shelving to fill in any remaining spaces. These will complement and match your StudyBed in terms of finish and height.

You can specify exactly how you wish your wardrobe to be configured: single or double... adjustable shelving, one piece unit, or separate wardrobe plus Top Box to match your StudyBed.

Careful measurement of your room is essential to ensure the best fit for your matching units. Sending us an accurate plan of your room will be of great benefit and will allow us to quote for your bespoke item, though often it is better to have the StudyBed installed first and the remaining space measured before production.

"I am thoroughly impressed with the amazing finish of the product and the immensely professional way in which it was delivered and built"

Dr GR (London)

Delivery and installation

StudyBeds of course need to arrive flat-packed in order to get them into their intended room. Self-assembly is certainly possible, but can be quite a challenging experience. We have our own dedicated team of assemblers who travel round the country delivering and installing StudyBeds; (much subsidised) charges start at £160 + Vat depending on locality. Please call for a quote.
